PROFESSIONAL SUMMARY

Emergency Room Technician with more than 20 years of experience delivering high-quality patient care in fast-paced emergency departments, including pediatric emergency medicine. Skilled in patient assessment, ECG acquisition, specimen collection, wound care, splinting, psychiatric observation, and emergency procedures. Holds a Master of Public Health and is pursuing a Doctor of Education in Educational Technology Leadership. Known for sound clinical judgment, compassionate care, and steady collaboration with interdisciplinary teams.

EXPERIENCE

Emergency Room Technician

Montefiore Children's Hospital

SEPT 2013 - PRESENT

- Provide emergency care to 75+ pediatric patients weekly in a high-volume department.
- Perform ECGs supporting rapid diagnosis and treatment of cardiac emergencies.
- Collect urine specimens for urinalysis, culture, pregnancy, and STI testing.
- Obtain and document vital signs, including blood pressure, pulse, respiration, temperature, and oxygen saturation.
- Assist physicians with suturing, lumbar punctures, airway procedures, spinal immobilization, and postmortem care.
- Apply splints and ACE wraps, fit crutches, and deliver patient education.
- Monitor one-to-one psychiatric observation while maintaining patient safety.
- Transport patients under infection-prevention and safety protocols.

Medical Records Analyst *(temporary assignment)*

Montefiore Children's Hospital · Health Information Management

JULY - OCT 2022

- Reviewed records for attorneys, insurers, providers, government agencies, and patients.
- Evaluated records for completeness, accuracy, and regulatory compliance.
- Processed outpatient encounters for billing and assigned ICD and CPT codes.
- Handled disability claims and release-of-information requests while protecting confidentiality.

Emergency Room Technician

Jersey City Medical Center

2008 - 2013

- Performed ECGs, phlebotomy, IV and Foley removal, suctioning, splinting, and wound care.
- Assisted nurses with assessments and cardiac monitoring; charted in MedHost.
- Maintained department inventory and coordinated supply ordering.
- Trained and mentored new Emergency Room Technicians on policy, infection prevention, and care procedures.

Childcare Provider

Private practice · Northern New Jersey

2004 - 2008

- Supervised up to 20 children aged two to five in a safe, nurturing environment.
- Planned activities promoting cognitive, emotional, and social growth.
- Supported children with developmental and physical disabilities through individualized care.
